WELCOME FROM THE CHAIR

THE 13TH RED MEAT SECTOR CONFERENCE WILL BE HELD AT TAKINA, WELLINGTON ON 22 - 23 JULY 2024

The 13th Red Meat Sector Conference will be held at Takina Wellington Convention and Exhibition Centre, Wellington on 22 and 23 July 2024.

The Red Meat Sector Conference is hosted by the Meat Industry Association of New Zealand (MIA) with partnership sponsor Beef + Lamb New Zealand Limited (B+LNZ) and it is the most significant networking event on the red meat calendar, bringing together farmers, processors, sector leaders, regulators and policy makers.

The annual conference provides delegates from across the red meat sector with a programme of high quality speakers covering the most topical issues relevant to our sector, with ample opportunity to network. The goal of the conference is to promote and foster the red meat sector by providing a framework for engagement between farmers, industry, and service providers, as well as showcasing expertise and best practice.

This year's theme is "From our pasture to your plate". The conference will cover emerging topics from across a supply chain that links New Zealand's renowned pasture raised red meat to discerning consumers around the world, exploring opportunities for innovation, trade, sustainability and value growth.

Two major social events are planned during the conference. They are a Welcome Cocktail function on the evening of Monday 22 July, and a Gala Dinner on the evening of Tuesday 23 July.

We value our sponsor partnerships, and invite new sponsors as well as those who have been part of the Red Meat Sector Conference for some years. Outlined in this booklet you will find the different opportunities for your company to be involved with the 2024 Red Meat Sector Conference. Each type of partnership comes with its own benefits which are also outlined.

We hope you will join us in Wellington.

Chair
